I found:

[http://www.mysuperpc.com/build/pc\\_parts\\_list.shtml](http://www.mysuperpc.com/build/pc_parts_list.shtml)  
<http://www.pcworld.com/howto/article/0,aid,55674,pg,1,00.asp>

to be invaluable when i built my computer recently.

Also, for a UK website listing the very best components [www.custompc.co.uk](http://www.custompc.co.uk) is good and has good forums full of people who are more than welcome to answer questions.

Good Luck
