| Hi ^_^;

|

| Sorry for the late reply, but it took longer than expected. I guess
| the more files you have, the longer it will take.

|

| It worked! Thank you so much! McAfee is still scanning, but my
| computer isn't acting odd anymore—I guess Part 1 did the job.

|

| Thank you again, this really helped.

YW and happy Holidays.

Thanx for updating the thread.
