A friends HijackThis Log:

<snipped>

You might want to post your HijackThis log on one of the following forums.

CastleCops HijackThis Forum

These forums are staffed by volunteers who have demonstrated their ability to interpret these logs and provide safe and helpful assistance. Also, the forums are moderated, adding a degree of assurance that the advice given is valid.

That said, my money's on these entries being malware related.

O4 - HKLM\..\Run: [sys02807365838-1] C:\WINDOWS\sys02807365838-1.exe

O4 - HKLM\..\Run: [9445c99d] rundll32.exe "C:\WINDOWS\System32\vxyspsoo.dll",b

O4 - HKLM\..\Run: [BM9776fa01] Rundll32.exe "C:\WINDOWS\System32\hgeytcyv.dll",s

That's just for starters. There may be more. That's why you should post the log to one of the forums listed above.
