This also applies to the right click Context menu...
Transparent drop-down Menu and disappearing menu text

In news:A3A07EF8-016B-44FD-BOBE-EB0D39A99E8F@xxxxxxxxxxxxx,
Tom <Tom@xxxxxxxxxxxxxxxxxxxxxxxxxxxxx> hunted and pecked:

Hi, a few months ago i realised that my menus were sometimes not displaying properly. Often looking as if they had been clicked when they hadnt and NOT clicked when they had been.

The screenshot will explain far better –

<http://img153.imageshack.us/img153/9981/visualproblemes3.jpg>

any ideas?
