Hi Mike,

Thanks for posting!

Please note that the newsgroups provide assistance to resolve break/fix issues. We recommend Microsoft Advisory Services, a remotely-delivered, consultative support option that adds the element of proactive support, providing a comprehensive result beyond your break-fix product maintenance needs. More information on this service here:

<<http://support.microsoft.com/gp/advisoryservice>>

For more info in the US and Canada:

<http://support.microsoft.com/default.aspx?pr=AdvisoryService>

Outside of the US/Canada:

<http://support.microsoft.com/default.aspx?scid=%2finternational.aspx>

Thanks & Regards,

Jason Tan
