Hi All

Folder redirection solved my purpose.

Regards
Rayees

Hello Rayees,

Thank you for using newsgroup!

Based on my knowledge, there is no policy to restrict the write access to
C: and D:\ drives.

Thanks & Regards,

Ken Zhao

| Hi Dave

| Folder redirection is a brilliant idea.

| However I would like to know is there any option (thru gpo) by how I can
| completely restrict the write access to C: and D:\ drive (which is local
| HDD)

| Is it possible??
