YOU are the dread Svyatoslav Pidgorny, MVP, RHCE, who plonked my dear friend & benefactor, that great humanitarian, LuckyStrike!!?! I was HUNTING for you!

Well, I'm glad this has ended amicably, before I could think up a horrible rhyme for your name! OK, bye!

--

Thanks or Good Luck,  
There may be humor in this post, and,  
Naturally, you will not sue,  
should things get worse after this,

| Dear Sir,  
|  
| I've changed my mind regarding redirection of your postings to certain  
| device.  
|  
| I didn't mean to accuse you but apparently I used wording that is  
| terribly  
| wrong. I didn't mean to slam you at all, and I didn't have any  
| evidence that  
| you're distributing virus, or links to malicious code. The fact that  
| the  
| style of your initial announcement reminds me of several recent scams  
| that I  
| recieved, doesn't make a good excuse. I'm sorry for confusing you  
| with Jim  
| Eshelman, and I admit my total ignorance as I didn't know anything  
| about  
| aumha.org site, which is apparently is a great resource with millions  
| happy  
| users. Considering that all, I extend my sincere apologies to  
| LuckyStrike  
| and those who feel offended by my rather silly comment.  
|  
| I am massively cross-posting this message to achieve most visibility  
| of my  
| shame.  
|  
| Kindest regards,
