

Error when I try to watch online movie or TV programs.

Source:

<http://www.tech-archive.net/Archive/Windows/microsoft.public.windows.inetexplorer.ie6.browser/2004-04/0261.htm>

From: Sean (*weclean_at_dreamwiz.com*)

Date: 03/31/04

Date: Wed, 31 Mar 2004 13:12:36 -0800

Whenever I tried to watch online movie or TV program,

always, in the beginning part, it gives me error message,

"Internet Explorer has encountered a problem and needs to close. We are sorry for the inconvenience.

Then, it gives me option to "send error report" or "don't send". Either ones I click on, IE closes.

When I got to the details of error message, I was able to retrieve following messages saved in file:

```
