You can't cancel email.

He can have his email supplier delete the message.

If there is a Web interface to the mail server he can use that to delete the message.

He can use one of these programs:

POP3 Scan Email (freeware):

<http://www.kempston.freewares.co.uk/smb/>

Magic Mail Monitor (freeware):

<http://www.vicnet.net.au/help/windows/magicmail/>
