Hi Bebb,

Try going to Start | Run and type

regsvr32 inetcomm.dll

See if that fixes it.

cheers,

steve

Hi Steve,

Re: 501 Error Message

Thank you so much, I appreciate your hard work to help my OE's problem.  
And, Happy THANKSGIVING to you and yours.

Hi Bebb,

I don't have a clue at the moment. Its hard to reproduce it, so  
I'm not  
sure what to suggest.

I'll reply to this thread if I can find a solution.

cheers,

steve
