Hi there,

Randomly, when replying to an email that I have chose to ask for a receipt, I have noticed in my sent items and the recipient has confirmed that the word "Message" is imbedded in the first line of my email alongside my salutation. Just moments ago, I changed the format from html to text only. I don't know if this has any bearing

I don't have any signatures set up.

This is an example:

MessageHi Cheryl,
