Doug,

Thanks – I don't use it – I just like to see what I can delete – I love deleting :o).
Also, I have used many of the tips, tweaks, and other cool things on your site – Thanks for those too.

Bill

Not that I'm aware of. If you don't want it, don't use it.

I have Vista RC1. I never use WMC and was wondering if I could uninstall it
without causing nay problems.
TIA
