=====  
Do not read this worthless blog entry on  
Defending Security Infrastructures <http://blog.joeware.net/2006/07/11/445/>  
I'm serious, you will learn absolutely nothing about  
Defending Security Infrastructures.

Good day, fellow members;

I am looking for a set of best practices of Identity Management (IdM)  
and had googled and wiki, but to no avail.

Any ideas are appreciated.

Thanks and have a nice weekend.
