Hello Patrick

Thank you for your hints.

<http://www.microsoft.com/technet/support/ee/transform.aspx?ProdName=Windows%20Operating%20System>

I tested this steps in the pas without success.

<http://www.microsoft.com/technet/support/ee/transform.aspx?ProdName=Windows%20Operating%20System>

In my case I have single labeled domain name here. So this article helps me great.

Any suggestions regarding WINS?

Kind regards,
Martin Schweizer
