Here it is

Event Type: Warning
Event Source: W32Time
Event Category: None
Event ID: 18
Date: 30/01/2007
Time: 9:50:21 AM
User: N/A

Computer: <computer name changed to protect the innocent>

Description:

The time provider NtpClient failed to establish a trust relationship between this computer and the <domain name changed to protect the innocent> domain in order to securely synchronize time. NtpClient will try again in 15 minutes. The error was: The trust relationship between this workstation and the primary domain failed. (0x800706FD)
