Hi,

Thanks for update!

Based on my further, I would like to suggest you attempt to rebuild the SYSVOL tree, please refer to the following article for detailed steps:

315457 How to rebuild the SYSVOL tree and its content in a domain
<http://support.microsoft.com/default.aspx?scid=kb;en-us:315457>

If there is anything that is unclear, please feel free to let me know.

Thanks & Regards,

Jason Tan
