Hi Dipti,

Thanks for the update!

Yes, please go ahead to open up a new thread and our engineer will work on with you. :)

Best Regards,

Rebecca Chen

MCSE, MCDBA
Microsoft Online Partner Support

When responding to posts, please "Reply to Group" via your newsreader so that others may learn and benefit from your issue.

=====

Business-Critical Phone Support (BCPS) provides you with technical phone support at no charge during critical LAN outages or "business down" situations. This benefit is available 24 hours a day, 7 days a week to all Microsoft technology partners in the United States and Canada.

This and other support options are available here:

BCPS:

<https://partner.microsoft.com/US/technicalsupport/supportoverview/40010469>

Others: <https://partner.microsoft.com/US/technicalsupport/supportoverview/>

If you are outside the United States, please visit our International Support page: <http://support.microsoft.com/common/international.aspx>
