2005-12-06 14:25:34 Wrote result file

Cannot migrate computers from NT4 domain to Server 2003

C:\WINDOWS\OnePointDomainAgent\000065_05-011.result
2005-12-06 14:25:34 Operation completed.

I think i have put all the admins in the relevant groups, can anybody help with this please.

--

Thanks

James
