Hello,

Thanks for posting!

I suggest you review the following article:

325379 How to Upgrade Windows 2000 Domain Controllers to Windows Server 2003
<http://support.microsoft.com/?id=325379>

Upgrading from Windows 2000 Server to Windows Server 2003

Regarding exchange related issue. I would like to suggest you open in the microsoft.public.exchange.general newsgroup. That newsgroup is primarily for issues involving Exchange. We recommend posting appropriately so you will get the most qualified pool of respondents, and so other partners who regularly read the newsgroups can either share their knowledge or learn from your interaction with us. Thanks for your understanding!

Best Regards,
