when i backup to disk it works fine

the tape drive is a seagate stt20000a with no device manager errors

Ntbackup works and the only error i get is

Event Type: Error

Event Source: DCOM

Event Category: None

Event ID: 10016

Date: 12/14/2005

Time: 8:17:34 PM

User: HOME\Administrator

Computer: SERVER

Description:

The application-specific permission settings do not grant Local Activation

permission for the COM Server application with CLSID

{9DA0E103-86CE-11D1-8699-00C04FB98036}

to the user HOME\Administrator SID

(S-1-5-21-35025908-4195327714-2605463358-500). This security permission can be modified using the Component Services administrative tool.

For more information, see Help and Support Center at

<http://go.microsoft.com/fwlink/events.asp>.
