Hi imaasim,

Thanks for posting here.

From the description, I understand the issue is that exchange 2003 are not able to send email to hotmail, but you can send to other domain fine. If I am off base, please don't hesitate to let me know.

Because this is a exchange issue in widows 2003 server, please post this question in the public exchange 2003 newsgroup. we recommend posting appropriately so you will get the most qualified pool of respondents, and so other partners who regularly read the newsgroups can either share their knowledge or learn from your interaction with us.

Thanks for your understanding.

Have a nice day!

Best regards,
