Hi,

We're about to install a Citrix Presentation Server 4.5 for a small company.

Does someone know a good implementation/installation guide for PS 4.0 or 4.5 ?

Thanks!  
Kris

sure, citrix has them on their documentation section.

did you do the mycitrix login stuff? it's usually in there as well.

it also helps to be a citrix partner, it's very easy to do.

Oskar

I totally agree with Oskar, get the manuals from Citrix.
