Thanks – I will give it a try.

"bigbrother77" wrote:

I had the same problem. Update your Bootcamp to version 2.1. Update was smooth afterwards.

"kiricencov" wrote:

Thanks for the reply.

I went thru the links.

And sent an email to the MS help desk. Especailly appreciates the link to that resource.

Re: SP3 Setup Error

Free unlimited installation and compatibility support is available for Windows XP, but only for Service Pack 3 (SP3), until 14 Apr-09. Chat and e-mail support is available only in the United States and Canada.

I keep getting an error message

"There is no enough disk space on
C:|WINDOWS|\$NtServicePackUninstall\$ to
install SP3 Setup requires 4 add'l megabytes
of free space, etc, etc."

I have some 17 GIG of free space available.

I am running XP on an iMAC & using Boot
Camp.

Any suggestions appreciated.
