Are you a manufacturer of mobile phones (or similar devices)? If you are and you are dealing with big numbers you must contact your local Microsoft Office and talk to them.

If you are an end user wanting an update for your mobile phone (or similar device) running Windows Mobile you have to contact the device manufacturer for the update.

Good luck,

Michel Verhagen, eMVP

hi, all:
Does who know how to buy a windows mobile form Microsoft?
Br
Thomas

Hi, Michel:
nice to meet you, thanks for the info.
