See how what you are doing differs from the procedure in the relevant one of the following articles on fellow MVP Graham Mayor's website:

"Mailmerge Labels with Word XP"

http://www.gmayor.com/mail_merge_labels_with_word_xp.htm

"Mail Merge with Word 2007"

http://www.gmayor.com/merge_labels_with_word_2007.htm

—

Hope this helps.
